

Volunteering

The PWU Executive Committee along with the support of the Council of Chief Stewards would like to acknowledge those PWU members who are involved in volunteer work on the job and in our communities.

You can help us by filling out the questions below, allowing us to use this information on our Website to promote awareness of those PWU Members who are volunteers.

Adding the information to our Website may encourage other PWU members to get involved in their area.

The information gathered will allow us to assess our Union's support of the many Teams, Groups, Committees and Organizations in which our members are involved.

We have implemented a nomination structure to award our members for their community contributions. By nominating a fellow member or yourself, you will receive a Certificate of Thanks from Don MacKinnon, President. At next Council, we will select 6 members from each sector to receive a Power Workers' Union fleece sweater or nylon jacket. We will also select one member, who has done an outstanding job of citizenship in their community, to be presented at Council with an embroidered Power Workers' Union leather coat by Don MacKinnon.

If you are not a volunteer but would like to be, and require assistance, contact the PWU Communications Department at 1-800-958-8798 or e-mail us at comm@pwu.ca.

Please show your spirit in nominating a deserving member.
