Power Workers' Union Welcomes Whitby-Veridian (Elexicon) Employees into the PWU Membership

On behalf of everyone at the Power Workers' Union (PWU), it gives me great pleasure to welcome all unionized employees from Elexicon into our Membership.

The official results from the representation vote that was conducted by the Ontario Labour Relations Board (OLRB) on **Friday, June 28, 2019** are as follows:

Total number of eligible voters	174
Total ballots cast	155
Total number of votes for the PWU	135
Total number of votes for IBEW	20
Spoiled	0

This voting result of 87% in our favor establishes the PWU as the sole bargaining agent for all unionized employees at Elexicon Energy (formerly Whitby-Veridian employees).

Elexicon was formed through the merger of Whitby and Veridian utilities.

The PWU is extremely pleased with the result and we will work hard to help Elexicon employees share in the benefits that a merger should bring.

We welcome you to the PWU family and will strive to provide the best possible representation to all members involved.

The first orders of business will be to establish an elected representation structure, prepare for bargaining and meet with the employer to begin planning the path forward.

Our future together is bright, and today the PWU - the voice of Ontario's electricity sector workers, is stronger than ever.
